

You Haul Man

I'm a you haul man  
I haul you along  
Like a tractor and trailer  
Our ties are strong  
You say where I go  
Is where you belong  
I'm a you haul man  
I haul you along

You hauled me out  
Of a bout with the blues  
I've never hooked up  
With anybody like you  
You say where I go  
Is where you belong  
I'm a you haul man  
I haul you along

I'm always checking to be sure  
Our connection is secure

Break

I'm a you haul man  
I haul you along  
Like a tractor and trailer  
Our ties are strong  
You say where I go  
Is where you belong  
I'm a you haul man  
I haul you along  
I'm a you haul man  
I haul you along
