

Only Love Letters Get Lost in the Mail

You only write to say
How groovy things are
Back in the USA
Rock & Roll & fast cars

The new boy in town
Drives a bitchin' GTO
And keeps turning up
Everywhere you go

Oh, the bills get thru
And the Dear Johns too
Sometimes it seems like
Only love letters
Get lost in the mail

In this bloody place
The worst of all
Wounds are suffered
At mail call

Oh, the bills get thru
And the Dear Johns too
Sometimes it seems like
Only love letters
Get lost in the mail

Break

Repeat 1st and 2nd verses

Repeat chorus
